Rodriguez, Rizal, Philippines • shiela.jadlocon@gmail.com • +63 961 597 1336

PROFESSIONAL SUMMARY

Detail-oriented and highly organized Virtual Administrative Specialist and Bookkeeper with 10+ years of experience supporting remote operations in the insurance industry. Skilled in documentation processing, digital records management, financial reconciliation, and cross-functional coordination. Proven ability to manage multiple priorities independently, maintain compliance-ready records, and deliver consistent accuracy without supervision.

CORE COMPETENCIES

Documentation Processing • Digital Filing Systems • Audit & Compliance • Data Entry & Records • Logs & Tracker Updates • Payment Processing & E-Transfer Batching • Cash Receipts & Applied EPIC Entry • Accounts Receivable Follow-Up • Monthly Statement Reconciliation • Supplier & Stakeholder Communication • Email & Form Handling • Workflow Coordination • Calendar & Inbox Management • Remote Team Collaboration

PROFESSIONAL EXPERIENCE

Virtual Administrative Specialist / Bookkeeper

October 2020 – August 2026

Condor POS Solutions — Client: InsureLine Brokers (Clear Cut) | Remote

Executives / Stakeholders Supported: Senior Management, Brokers, and Compliance Officers at InsureLine Brokers (Clear Cut), an insurance brokerage operating across Canada

Engagement Duration: 6 years (October 2020 – August 2026)

Scope: Full-cycle virtual administrative and bookkeeping support across a high-volume insurance brokerage — covering documentation, financial records, compliance, and operational reporting

Key Responsibilities:

- ▶ Provided comprehensive administrative support through accurate documentation, data entry, and recordkeeping across high-volume insurance brokerage operations.
- ▶ Managed digital filing systems using Applied EPIC, ensuring all client records, contracts, and audit documentation were organized, accessible, and compliance-ready at all times.
- ▶ Verified client and financial documents for completeness and accuracy, identifying and resolving discrepancies before they affected reporting or compliance outcomes.
- ▶ Updated and maintained financial logs, referral trackers, and operational reports with timely and precise information, supporting management decision-making and audit preparation.
- ▶ Communicated with brokers and internal team members to follow up on missing, incomplete, or incorrect documentation, ensuring records were resolved and complete.
- ▶ Managed accounts receivable and bookkeeping with 100% billing and commission reconciliation accuracy throughout the entire engagement.
- ▶ Accepted e-transfer payments and closed daily batches to support monthly bank statement reconciliation.
- ▶ Created and entered cash receipts for payments received in Applied EPIC.
- ▶ Processed refund cheques, EFTs, and return payments in line with company procedures.
- ▶ Reviewed client files to check outstanding balances and credits.
- ▶ Followed up with brokers on outstanding accounts receivable to keep records current.
- ▶ Reviewed monthly statements to support reconciliation.
- ▶ Worked independently in a fully remote environment, managing competing priorities and meeting documentation deadlines consistently without supervision.

Commercial Insurance Administrative Assistant

June 2014 – October 2020

Lundgren & Young Insurance | Remote

Executives / Stakeholders Supported: Producers, Underwriters, and Office Management at Lundgren & Young Insurance

Engagement Duration: 6 years and 4 months (June 2014 – October 2020)

Scope: End-to-end administrative support for commercial insurance operations — covering document processing, lead pipeline management, compliance documentation, and a large-scale system migration project

Key Responsibilities:

- ▶ Processed and verified insurance application documents, converting handwritten records into accurate digital files and ensuring completeness and submission readiness for underwriters.
- ▶ Maintained organized digital filing and lead pipeline data in Power Broker, eliminating duplicate entries and keeping records accurate and accessible across the team.
- ▶ Communicated with producers and underwriters to follow up on document clarifications, missing information, and record updates, ensuring information flow remained timely and accurate.
- ▶ Managed a large-scale policy rollover project involving document migration and data verification across systems, completing all records accurately and on schedule.
- ▶ Maintained thorough chronological documentation trails supporting audit preparation, regulatory compliance, and internal reporting requirements.

TOOLS & TECHNOLOGY

Microsoft Office 365 (Outlook, Word, Excel, PowerPoint) • Microsoft Teams • SharePoint • Google Workspace (Gmail, Docs, Sheets) • Applied EPIC • Power Broker • NowCerts • PandaDoc • SAP • Zoom

KEY STRENGTHS

- ▶ Meticulous documentation processor — 10+ years verifying, organizing, and maintaining records to audit-ready standards across regulated industries.
- ▶ Experienced managing both digital filing systems and compliance documentation trails, ensuring nothing is missing, misfiled, or out of date.
- ▶ Proactive communicator — consistently followed up with internal teams and external contacts to resolve documentation gaps before they became compliance issues.
- ▶ Highly organized multi-tasker with a proven ability to manage logs, trackers, reports, and correspondence simultaneously while maintaining precision.
- ▶ Available and committed to working fully aligned with international remote team schedules.
